Applying for a French student visa

« Etudes en France » procedure
How long does it take to receive the visa?
• Every application has to be approved by the French Ministry of the Interior: as such it can take 3 weeks before we receive the green light allowing us to print the visa
• As a rule of thumb, apply at least one month before your desired date of entry into France

How much does it cost?
• The equivalent in shekels of 50 euros (according to the exchange rate, approximately 200 shekels in cash)
• Free if you have a scholarship from the French government

What documents do I need to bring?
• Confirmation of acceptance/pre-enrollment from Campus France Israël
• Long stay visa application form printed and signed
• Valid passport and 1 recent identity photo (5*5 cm)
• Proof of income
• Proof of accommodation in France

How do I book an appointment?
• At the end of the process on France-Visas.gouv.fr, there will be a link to book an appointment.
• If you have any trouble setting up an appointment, scan the QR code at the end of this flyer

IMPORTANT: Note that if your application is missing any document, it will be refused by the visa officer at the desk and this will delay the whole procedure!
